

2022 ANNUAL PARTNERS PROGRAM

Our Annual Partners Program is a great way to support Cascadia Behavioral Healthcare, allowing business partners to make an annual gift in any of the levels listed below to support our fundraising and engagement efforts. This is a wonderful opportunity to receive special recognition at Cascadia's annual events in 2022 and create visibility for your business or organization throughout Clackamas, Multnomah, and Washington counties.

YOUR SUPPORT TODAY...

Strengthens our coordinated mental health and primary care teams, who work proactively to ensure clients stay informed, healthy, and out of emergency rooms.

Keeps our families together and cared for, providing them with the services they need for success.

Allows us to meet clients where they are, through telehealth services, mental health and primary care, treatment for substance use disorders, and outreach to community members experiencing homelessness.

Helps our houseless community members who are struggling with trauma, stress, and behavioral health.

Ensures the well-being of our long-term care residents.

ABOUT CASCADIA BEHAVIORAL HEALTHCARE

Cascadia takes on some of the state's toughest issues - mental health and addiction challenges, the community impacts of trauma, unemployment, homelessness, and lack of integrated whole health care. We believe that when we work together to understand and care for each other, we build a healthy, thriving community. Our approach to providing whole health care embodies this and builds on the idea that caring for the whole person makes our whole community stronger.

Cascadia Behavioral Healthcare is a 501(c)(3) nonprofit organization - Tax ID 93-0770054. Apart from the fair market value of all goods and services provided by Cascadia, your sponsorship is tax-deductible. We will provide each sponsor with a written donation acknowledgment that may be used for tax purposes.

ABOUT THE EVENTS

HEART May 2022

Cascadia's annual HEART event illuminates the intersection of art and mental health with a focus on women. This annual event brings together a network of supporters, artists, and storytellers who are committed to reducing the stigma of mental health by supporting activities that promote health, healing, and hope.

This year's month-long virtual art gallery will explore challenges unique to women in our community while empowering women to live their best lives. Proceeds from this event are critical to Cascadia being able to serve over 6,000 women of all ages every year, especially the 5,100 women who access Cascadia's mental health outpatient services.

Joining the event as a sponsor provides an opportunity for you to be recognized publicly for your generosity and for you to gather colleagues, clients, vendors, family, and friends to celebrate the impact of our shared goal to improve access to mental health care for all women.

Culture of Caring Gala October 13, 2022

Cascadia's Culture of Caring Gala is a celebration of our work in the community, highlighting the impacts of community support for individuals experiencing mental health challenges, addiction, poverty, trauma, and homelessness.

This event brings together corporate partners and sponsors, individual donors, community members, nonprofit organizations, staff, and patients to share in the work and mission of Cascadia that is needed now more than ever. Cascadia's Culture of Caring Gala has grown to a gathering of more than 400 attendees, providing your company/organization with vast exposure and visibility in the community.

Join us as we celebrate and support our whole community by providing access to whole health care services — mental health care, addiction recovery, primary care, wellness programs, and housing — to support more than 18,000 individuals of all ages each year. All funds raised are critical to Cascadia meeting the increased need for community support and whole health care.
