Step 4

The first time you do a virtual visit, you will be asked to review and sign an **informed consent form**.

If you are using a device with a touchscreen, you can use your finger to sign. If not, you can use your mouse/cursor to sign. Click the green check box to complete.

Informed Consent for Telehealth Consultations

Not Signed Yet

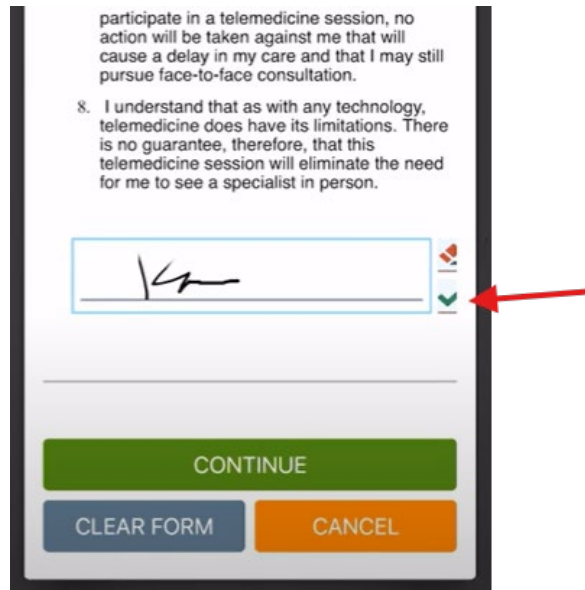

REVIEW AND SIGN

Once this step is completed, documents will be submitted for clinic review.

NEXT

BACK

FINISH LATER

participate in a telemedicine session, no action will be taken against me that will cause a delay in my care and that I may still pursue face-to-face consultation.

8. I understand that as with any technology, telemedicine does have its limitations. There is no guarantee, therefore, that this telemedicine session will eliminate the need for me to see a specialist in person.

Virt Visit with Brandon
Larsen

 This is a video visit

 Wednesday September 03, 2025

It's time to start your video visit!

Join video visit

When you are ready to talk to your doctor, click the button.

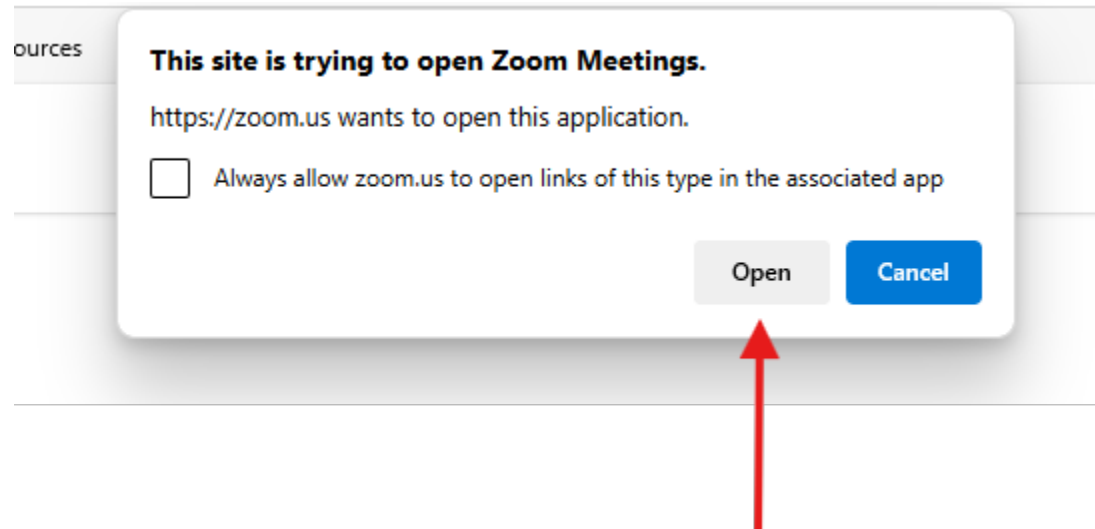

Want an earlier time? [Get on the Wait List](#)

Fill out the following questionnaire before your video visit:

 [Medicare Secondary Payer Questionnaire](#) (In Progress)

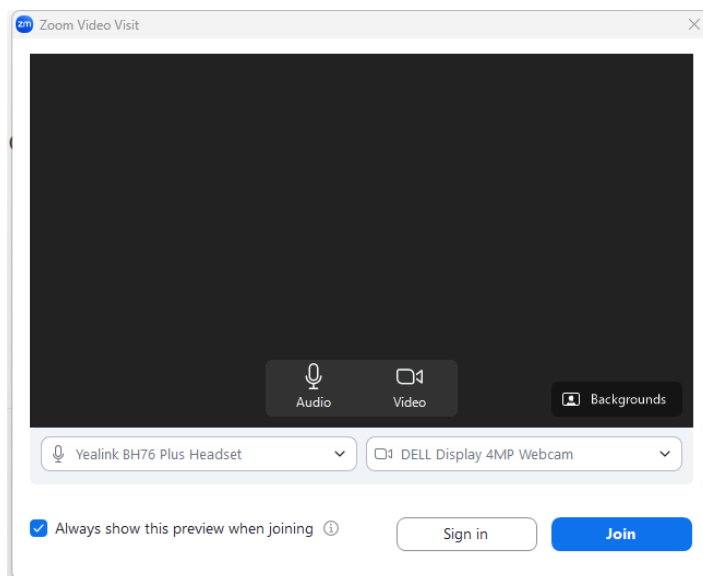

Step 7

A new internet browser tab will open, taking you to Zoom. Select **Open**.

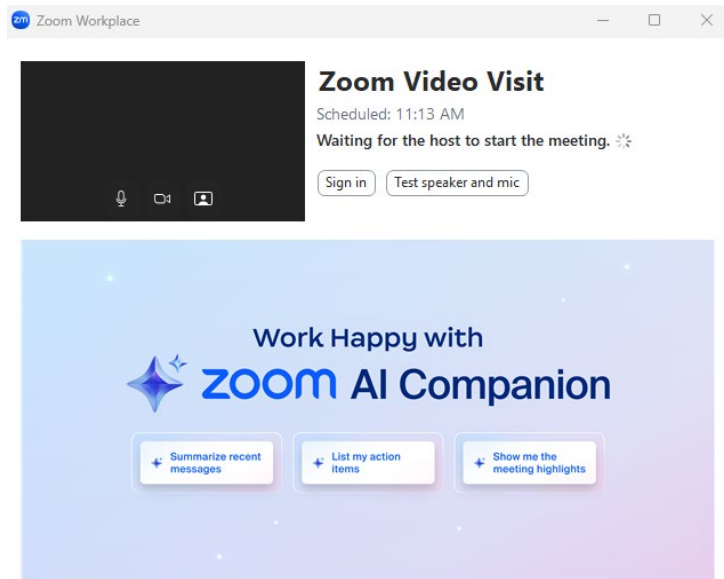

Step 8

A new window will pop up. In this window you can test your audio and video to make sure it's all working properly.

Step 9

Click **Join**. This will bring you to the Zoom ‘waiting room’ and your provider will begin the meeting at soon as they’re ready.

Step 10

At the end of your virtual visit select **Leave Meeting** at the lower right-hand corner.

Note

If you get disconnected during your virtual visit, MyChart instructions will pop up, telling you to go back to the appointment in MyChart and click the **Begin Visit** button again.
