

Invest in the Work. Celebrate the Impact.

What We Deliver

Trusted health,
housing, and
recovery services

At Cascadia Health, we know healing happens through connection—to people, place, and possibility.

We stand beside more than **21,000** individuals and families yearly, providing evidence-based care that's connected, coordinated, and proven effective for treating mental health and substance use.

Invest in health, healing, and hope

In 2027, Cascadia Health's Culture of Caring Gala will feature the work and stories of Peer clinicians, showcase the breadth and depth of offered services, and highlight Cascadia's long history with Peer delivered services.

Our goal is to raise **\$750,000** at this event. These funds are critical to our mission of delivering mental health, housing, recovery, and crisis services.

Join us for our **Culture of Caring Gala**

An annual benefit for Cascadia Health

Thursday, April 1, 2027 | 5:30 - 9:00 p.m.
Redd on Salmon

This truly joyful event will include:

- Stories about the real impacts of our work
- Entertainment & Live Raffle
- Catered Dinner
